SECTION II – PROJECT SPECIFICATIONS AND SCOPE OF WORK.

PART 1 – GENERAL INFORMATION

A. Purpose of RFP

The King County Solid Waste Division (SWD) is seeking a qualified consultant or team of consultants to help define and implement a strategy that provides education and assistance on household hazardous waste (HHW) to King County teachers and their classrooms, school district personnel, and parent groups.

Proposals are requested from consulting firms qualified in the areas of household hazardous waste education, teacher training, lesson development and outreach to parent groups.

The County intends to contract with the selected consultant or team of consultants for one year, and may elect to extend the contract up to two times for a total contract duration of three years.

B. Project Background

The purpose of the program is to provide teachers with the training, resources and materials to teach their students how to identify household hazardous products, how to properly use, store and dispose of them, and how to reduce their exposure to health and environmental risks by using safer substitutes.

In 1992, the Solid Waste Division piloted HHW teacher training workshops, which subsequently became the foundation for the division's HHW School Program. Integral to the program has been the *Hazards on the Homefront- A Teacher's Guide to Household Hazardous Waste*. The guide, designed to be used by teachers of grades 4-12, was developed and field-tested during the 1992-93 school year, and several years ago was revised based on focus groups and other teacher feedback.

Currently, the program consists of organizing day-long or half-day teacher workshops, held about four times each year. On average, 60 teachers, representing 4500 to 5500 students, attend a workshop annually. About two-thirds of the teachers trained each year report teaching HHW to their students as a result of taking the workshop.

Following the workshops, teachers are offered support through classroom presentations, assistance in conducting projects, and mini-grants for purchasing supplies or other resources related to their project. Relationships have been cultivated with teachers, school districts, and educator groups in planning and presenting workshops, the ultimate goal of which is to encourage inclusion of *Hazards on the Homefront* in a teacher's curriculum.

Over the last year, work has been done with a Shoreline teacher and district staff to incorporate HHW into the Shoreline School District science kit for fourth grade. While encouraging districts to adopt HHW into curriculum has been a goal of the program, it has proved challenging in practice due to the extensive and complex process of curriculum adoption which is largely an internal process and does not necessarily favor material introduced by entities external to the school system. However, in light of the progress being made with the Shoreline School District, assisting school districts to include HHW in curricula has remained a goal.

Parent groups were added as an audience for this program in the last few years. Information on HHW is provided through presentations to PEPS (Program for Early Parent Support) and other parent groups, through the annual PEPS Fair and other events, and through articles to child-focused publications.

C. Organizational Context

The King County Solid Waste Division is one of several public agencies implementing the Local Hazardous Waste Management Program (LHWMP) in King County. Other participants include the King County Water and Land Resources Division, Public Health Seattle-King County, City of Seattle, and suburban cities. The goal of the LHWMP is to protect public health and the environment from the adverse effects of improper use and disposal of hazardous waste by businesses and households. The King County Solid Waste Division HHW School Program is part of the LHWMP School and Youth Program, which also includes classroom presentations by staff in the Water and Land Resources Division (WLRD). Staff in the Solid

Waste Division and the Water and Land Resources Division communicate frequently to exchange ideas and information, and to ensure a coordinated effort.

PART 2 - SCOPE OF WORK AND CONSULTANT QUALIFICATIONS

A. Scope of Work

The goals of the HHW School Program are to increase awareness of household hazardous waste among students in grades 4 -12, and to motivate them to take action by training teachers in the use of the Hazards on the Homefront curriculum guide and providing them with materials and support. A desired but difficult to achieve goal is to have HHW included as a regular part of the curriculum in King County schools.

The elements of the current HHW School Program are:

- Full-day and half-day teacher workshops, which demonstrate use of the *Hazards on the Homefront* teacher's guide.
- Classroom presentations to students either to introduce them to the subject of HHW or to follow-up on a teacher's own lesson plan.
- A mini-grant program to assist teachers in obtaining resources to support their lesson plans and to conduct action projects.
- Presentations to Program for Early Parent Support (PEPS) groups and other parent groups.

In the past, the program has operated on a contract budget that easily accommodated the workshops, classroom presentations, project assistance, mini-grants, and parent outreach as well as any unplanned needs or sudden opportunities for additional educational efforts. Due to a recent reduction in budget, the program will have to make adjustments which may involve:

- Maintaining all current tasks but at a reduced level
- Eliminating some tasks and continuing others at their current level
- Creating new tasks or approaches to combine with selected current tasks
- Creating all new tasks

The Solid Waste Division welcomes proposals addressing any of the above.

B. Time of Performance

The contracted period will be from January 1, 2006 through December 31, 2006. The contract period may be extended in one year increments for two additional one-year periods in accordance with the County's best interest and at the sole option of the County.

Previously this contract ran from July of one year to July of the next in order to encompass the entire school year. The benefit of this arrangement was continuity of services, with no interruption mid-school year to either renew a contract or establish a new one. The change to a calendar year contract is necessitated by the LHWMP budget schedule.

C. Budget

The total budget for this contract is \$82,000, a significant reduction from the current contract budget of \$165,000.

D. Consultant Qualifications

The King County Solid Waste Division desires a consultant team that has experience and expertise in:

1. Household hazardous waste education
2. Trends in learning theory, teaching methods, and behavior change
3. Lesson development
4. Environmental education requirements, Washington State Essential Academic Learning Requirements, and grade level expectations (GLEs) as they apply to grades 4-12

5. Working directly with schools, school districts, teachers and students; working with parents of young children
6. Children's health issues
7. Strategic planning

PART 3 –CONTRACT FUND AVAILABILITY AND PROPOSAL FORMAT

A. Contract Fund Availability

The selected firm will be the highest ranked firm based on the combined total of the written evaluation criteria and interview, if conducted. King County reserves the right to award no contract under this RFP, and to reduce or increase the dollar amounts allocated to each task.

B. Selection Panel

The selection panel will include members of the Solid Waste Division and other individuals at the discretion of the Division. The panel will rate the applicants and recommend selection for the Solid Waste Division Director's approval based on the ratings from the written proposals, work samples/references, and if conducted, any interviews.

PART 5 – KING COUNTY CONTRACTING OPPORTUNITIES PROGRAM

The purpose of the King County Contracting Opportunities Program is to maximize the participation of Small Economically Disadvantaged Businesses (SEDB) through the use of rating points in the award of King County competitively bid contracts for the acquisition of technical services. The program is open to all firms that are certified as an SEDB by King County's Business Development and Contract Compliance Office.

A "Small Economically Disadvantaged Business" (SEDB) means that a business and the person or persons who own and control it are in a financial condition, which puts the business at a substantial disadvantage in attempting to compete for public contracts. The relevant financial condition for eligibility under the Program is set at fifty percent (50%) of the Federal Small Business Administration (SBA) small business size standards using the North American Industrial Classification System (NAICS), and an Owners' Personal Net Worth less than \$750K dollars.

A "Certified Firm" means a business that has applied for participation in King County's Contracting Opportunities Program, and has been certified as an SEDB by the King County Business Development and Contract Compliance (BDCC) office. Information about becoming a Certified Firm, as well as a list of Certified Firms, may be obtained by visiting the King County's Contracting Opportunities Program Website address: <http://www.metrokc.gov/exec/bred/bdcc/prog/kccontractopp.htm> or contacting the BDCC office at (206) 205-0711.

In the evaluation of proposals, ten points will be allotted for SEDB participation. King County will count only the participation of SEDBs that are certified by King County at the date and time of proposal submittal. After tabulation of the selection criteria points of all prime submitters, 5% shall be added to the score of all proposals that meet at least one of the two following sub-criterion:

1. If the Prime submitter is a SEDB firm that anticipates performing work for the entire contract unassisted and includes the SEDB certification number on page one of this submittal.
2. If the Prime submitter is not an SEDB but will use SEDBs for at least 5% of the total contract labor hours in the work to be performed in this contract, and who complete the following table and include it in their proposal submission:

SEDB Certification Number	Sub-Consultant Name	Contact Name / Phone	Work to be performed	Percentage of Total Hours

SEDB participation shall be counted only for SEDBs performing a commercially useful function according to custom and practice in the industry. A commercially useful function is defined as a specific scope of work for which the SEDB has the management and technical expertise to perform using its own workforce and resources.

PART 6 – CONTRACT TERMS FOR PRICING AND RATES

A. General

1. The Profit Rate for Solid Waste Division RES contracts shall not exceed 10%. The same Profit Rate applies to the consultant and each sub-consultant.
2. Labor Rate adjustments are limited to once a year. Labor Rates for the following calendar year (should a contract be extended) will be negotiated in November – December.
3. Labor Rate adjustments for the following calendar year or made during the course of the following year, are limited to the percentage difference in the Consumer Price Index (CPI) for the local Seattle-Bremerton-Tacoma area, based on All Urban Consumers for the first six months of the current year versus the first six months of the previous year, plus no more than 2%. Exceptions may be granted in rare instances.
4. All consultants and sub-consultants have the option of using the direct salary and overhead pricing (Section B below) versus labor category pricing (Section C below). Small firms (usually defined as fewer than 15 employees) have the additional option of using individual billing rate pricing, as described in Section D below.

B. Direct Salary and Overhead Pricing

1. Allowable overhead shall be established at the beginning of the contract. The overhead rate shall not change for the duration of the contract and any extensions thereto. Overhead rates are subject to negotiation and audit.
2. Individual salary information shall be provided at the beginning of the contract, or whenever a new employee is added to the contract. Salary data are subject to audit and review throughout the contract duration.
3. Consultant and sub consultant shall invoice labor based on individual salaries plus overhead (cost) plus profit (percent of cost) method.

C. Labor Category Pricing

1. Categories shall be developed based on minimum qualifications and responsibilities for each category level. Category rates used in the contract shall approximate the average salaries of individuals within each classification, plus overhead and profit.
2. Overhead shall be negotiated at the beginning of the contract, unless the consultant or sub consultant has an established overhead rate under an existing Solid Waste Contract. In such cases, the established overhead rate shall apply.
3. Salary information for each person who may work on the contract, along with the overhead rate and profit, may be requested to initially establish category rates or to audit established category rates.
4. The same labor category rates shall apply to all Solid Waste Division contracts held by the firm.

5. Employees may be granted a raise to a higher category January 1st of each year subject to prior approval by King County. Consultant staff moved between categories shall be assigned work appropriate to that category.

D. Individual Billing Rates

1. The Individual Billing Rates method is appropriate for small firms with no accounting system in place which identifies direct and indirect costs separately. A firm's approved billing rates for the year will be used that year for all new contracts and all amendments, whether the firm is prime or sub-consultant.
2. Individual billing rates are negotiated based on market analysis. The firm shall provide information as requested on the qualifications, experience, and salary of the firm's employees to assist in conducting a market analysis of proposed billing rates.

E. Markup

1. King County Solid Waste Division policy states that Consultants shall not markup sub-consultant costs and Other Direct Costs (ODCs).

SECTION III - NONDISCRIMINATION AND AFFIRMATIVE ACTION

If a contract is awarded from this Request for Proposal, it will contain the following contract language:

PART 1: NON-DISCRIMINATION

- A. King County Code Chapters 12.16, 12.17 and 12.18 are incorporated by reference as if fully set forth herein and such requirements apply to this Contract; provided however, that no specific levels of utilization of minorities and women in the workforce of the Consultant shall be required, and the Consultant is not required to grant any preferential treatment on the basis of race, sex, color, ethnicity or national origin in its employment practices; and provided further that, notwithstanding the foregoing, any affirmative action requirements set forth in any federal regulations, statutes or rules included or referenced in the contract documents shall continue to apply.
- B. During the performance of this Contract, neither the Consultant nor any party subcontracting under the authority of this Contract shall discriminate nor tolerate harassment on the basis of race, color, sex, religion, nationality, creed, marital status, sexual orientation, age, or the presence of any sensory, mental, or physical disability in the employment or application for employment or in the administration or delivery of services or any other benefits under this Contract.
- C. The Consultant shall, prior to the commencement of the work and during the term of this Contract, furnish the County, upon request and on such forms as may be provided by the County, a report of the affirmative action taken by the Consultant in implementing the terms of this section. The Consultant will permit access by the County to the Consultant's records of employment, employment advertisements, application forms, other pertinent data and records related to this Contract for the purpose of monitoring and investigation to determine compliance with these requirements.
- D. The Consultant shall implement and carry out the obligations contained in its Affidavit and Certificate of Compliance regarding equal employment opportunity. Failure to implement and carry out such obligations in good faith may be considered by the County as a material breach of this Contract and grounds for withholding payment and/or termination of the Contract and dismissal of the Consultant.
- E. The Consultant shall comply fully with all applicable federal, state and local laws, ordinances, executive orders and regulations that prohibit such discrimination. These laws include, but are not limited to, RCW Chapter 49.60 and Titles VI and VII of the Civil Rights Act of 1964.
- F. During the performance of this Contract, neither the Consultant nor any party subcontracting under the authority of this Contract shall engage in unfair employment practices. It is an unfair employment practice for any:
 - 1. Employer or labor organization to discriminate against any person with respect to referral, hiring, tenure, promotion, terms, conditions, wages or other privileges of employment;
 - 2. Employment agency or labor organization to discriminate against any person with respect to membership rights and privileges, admission to or participation in any guidance program, apprenticeship training program, or other occupational training program;
 - 3. Employer, employment agency, or labor organization to print, circulate, or cause to be printed, published or circulated, any statement, advertisement, or publication relating to employment or membership, or to use any form of application thereof, which indicates any discrimination unless based upon a bona fide occupation qualification;
 - 4. Employment agency to discriminate against any person with respect to any reference for employment or assignment to a particular job classification;
 - 5. Employer, employment agency or a labor organization to retaliate against any person because this person has opposed any practice forbidden by KCC Chapter 12.18 or because that person has made a charge, testified or assisted in any manner in any investigation, proceeding or hearing initiated under the provisions of KCC Chapter 12.18;
 - 6. Publisher, firm, corporation, organization or association printing, publishing or circulating any newspaper, magazine or other written publication to print or cause to be printed or circulated any

advertisement with knowledge that the same is in violation of KCC Chapter 12.18.030C., or to segregate and separately designate advertisements as applying only to men and women unless such discrimination is reasonably necessary to the normal operation of the particular business, enterprise or employment, unless based upon a bona fide occupational qualification; and/or

7. Employer to prohibit any person from speaking in a language other than English in the workplace unless:
 - a. The employer can show that requiring that employees speak English at certain times is justified by business necessity, and
 - b. The employer informs employees of the requirement and the consequences of violating the rule.

PART 2: REQUIRED SUBMITTALS

- A. All Consultants entering into a contract or agreement with King County valued at \$25,000 or more shall, after the proposer receives written notice of selection, submit the following:
 1. A Personnel Inventory Report on the form provided by the County.
 2. An Affidavit of Compliance demonstrating the Consultant's commitment to comply with the provisions of KCC Chapter 12.16.
 3. A Sworn Statement of Compliance with 12.16 from any labor union or employee referral agency that refers workers or employees or provides or supervises training programs from whom the Consultant obtains employees.
- B. The County will not execute any agreement or contract without prior receipt of fully executed forms listed in subparagraph A above.
- C. Assistance with the requirements of this Section and copies of Chapters 12.16, 12.17 and 12.18 are available from the Business Development & Contract Compliance (BDCC) Section, phone (206) 205-0700.

PART 3: NONDISCRIMINATION IN SUBCONTRACTING PRACTICES

- A. Compliance with Initiative 200. In accordance with the provisions of Washington Initiative 200, no County Minority and Women Business (M/WBE) utilization requirements shall apply to this Contract. No minimum level of M/WBE sub-consultant participation or purchase from M/WBE certified vendors is required and no preference will be given by the County to a bidder or Proposer for their M/WBE utilization or M/WBE status. Provided, however, that any affirmative action requirements set forth in any federal regulations or statutes included or referenced in the Contract documents will continue to apply.
- B. Non-Discrimination. During the term of this Contract, the Consultant shall not create barriers to open and fair opportunities to participate in County contracts or to obtain or compete for contracts and subcontracts as sources of supplies, equipment, construction and services. In considering offers from and doing business with sub-consultants and suppliers, the Consultant shall not discriminate against any person on the basis of race, color, creed, religion, sex, age, nationality, marital status, sexual orientation or the presence of any mental or physical disability in an otherwise qualified disabled person.

During the performance of work performed under any Agreement resulting from this RFP, neither the consultant nor any party subcontracting under the authority of the agreement shall discriminate or engage in unfair contracting practices prohibited by K.C.C. 12.17.

- C. Record-Keeping Requirements. The Consultant shall maintain, for at least 6 years after completion of all work under this contract, records and information necessary to document its level of utilization of M/WBEs and other businesses as sub-consultants and suppliers in this contract and in its overall public and private business activities for the same period. The Consultant shall also maintain, for at least 6 years after completion of all work under this contract, all written quotes, bids, estimates or proposals submitted to the Consultant by all businesses seeking to participate on this Contract. Consultant shall make such documents available to the County for inspection and copying upon request. If this contract involves

federal funds, Consultant shall comply with all record keeping requirements set forth in any federal rules, regulations or statutes included or referenced in the contract documents.

D. Open Competitive Opportunities. King County encourages the utilization of minority owned businesses ("MBEs") and women-owned businesses ("WBEs")(collectively, "M/WBEs") in County contracts. The County encourages the following practices to promote open competitive opportunities for small businesses including M/WBEs:

1. Attending a pre-bid or pre-solicitation conference, if scheduled by the County, to provide project information and to inform M/WBEs and other firms of contracting and subcontracting opportunities.
2. Placing all qualified small businesses attempting to do business in King County, including M/WBEs, on solicitation lists, and providing written notice of subcontracting opportunities to M/WBEs and all other small businesses capable of performing the work, including without limitation all businesses on any list provided by the County, in sufficient time to allow such businesses to respond to the written solicitations.
3. Breaking down total requirements into smaller tasks or quantities, where economically feasible, in order to permit maximum participation by small businesses including M/WBEs.
4. Establishing delivery schedules, where the requirements of this contract permit, that encourage participation by small businesses, including M/WBEs.
5. Providing small businesses including M/WBEs that express interest with adequate and timely information about plans, specifications, and requirements of the contract.
6. Utilizing the services of available community organizations, Consultant groups, local assistance offices, the County, and other organizations that provide assistance in the recruitment and placement of small businesses including M/WBEs.

Further, the County encourages small businesses, including M/WBEs, to participate in the following practices to promote open competitive opportunities:

1. Attending a pre-bid or pre-solicitation conference, if scheduled by the County, to receive project information and to inform prime bidders/proposers of contracting and subcontracting capabilities.
2. Requesting placement on solicitation lists, and receipt of written notice of subcontracting opportunities.
3. Utilizing the services of available community organizations, Consultant groups, local assistance offices, the County, and other organizations that provide assistance in the recruitment and placement of small businesses and M/WBEs.

E. Sanctions for Violations. Any violation of the mandatory requirements of the provisions of this Section shall be a material breach of contract for which the Consultant may be subject to damages and sanctions provided for by contract and by applicable law.

PART 4: REQUIREMENTS DURING WORK

A. Site Visits

King County may at any time visit the site of the work and the Consultant's office to review records related to actual utilization of and payments to subcontracting firms. The Consultant shall maintain sufficient records necessary to enable King County to review utilization of subcontracting firms. The Consultant shall provide every assistance requested by King County during such visits.

PART 5: COMPLIANCE WITH SECTION 504 OF THE REHABILITATION ACT OF 1973, AS AMENDED AND THE AMERICANS WITH DISABILITIES ACT OF 1990

The Consultant shall complete a Disability Self-Evaluation Questionnaire for all programs and services offered by the Consultant (including any services not subject to this Contract) and shall evaluate its services, programs and employment practices for compliance with Section 504 of the Rehabilitation Act of 1973, as amended ("504"), and the Americans with Disabilities Act of 1990 ("ADA"). The Consultant shall complete a 504/ADA Disability Assurance of Compliance prior to execution of a contract.

SECTION IV - GENERAL CONTRACT REQUIREMENTS

PART 1: TERMINATION CLAUSES

- A. This Contract may be terminated by the County without cause, in whole or in part, upon providing the Consultant ten (10) calendar days' advance written notice of the termination.

If the Contract is terminated pursuant to this Section IV, paragraph A: (1) the County will be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination; and (2) the Consultant shall be released from any obligation to provide further services pursuant to the Contract.

- B. The County may terminate this Contract, in whole or in part, upon five (5) calendar days' advance written notice in the event: (1) the Consultant materially breaches any duty, obligation, or services required pursuant to this Contract, or (2) the duties, obligations, or services required herein become impossible, illegal, or not feasible.

If the Contract is terminated by the County pursuant to this Subsection IV(B) (1), the Consultant shall be liable for damages, including any additional costs of procurement of similar services from another source.

If the termination results from acts or omissions of the Consultant, including but not limited to misappropriation, nonperformance of required services or fiscal mismanagement, the Consultant shall return to the County immediately any funds, misappropriated or unexpended, which have been paid to the Consultant by the County.

- C. If expected or actual funding is withdrawn, reduced or limited in any way prior to the termination date set forth above in Section II or in any amendment hereto, the County may, upon written notice to the Consultant, immediately terminate this Contract in whole or in part.

If the Contract is terminated pursuant to this Section IV, paragraph C: (1) the County will be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination; and (2) the Consultant shall be released from any obligation to provide further services pursuant to the Contract.

Funding under this Contract beyond the current appropriation year is conditional upon appropriation by the County Council of sufficient funds to support the activities described in this Contract. Should such an appropriation not be approved, this contract will terminate at the close of the current appropriation year.

- D. Nothing herein shall limit, waive, or extinguish any right or remedy provided by this Contract or law that either party may have in the event that the obligations, terms and conditions set forth in this Contract are breached by the other party.

PART 2: INDEMNIFICATION AND HOLD HARMLESS

- A. In providing services under this Contract, the Consultant is an independent contractor, and neither the Consultant nor its officers, agents or employees are an employee of the County for any purpose. The Consultant shall be responsible for all federal and/or state tax, industrial insurance, and Social Security liability that may result from the performance of and compensation for these services and shall make no claim of career service or civil service rights which may accrue to a County employee under state or local law.

The County assumes no responsibility for the payment of any compensation, wages, benefits or taxes to, or on behalf of, the Consultant, its employees or others by reason of this Contract. The Consultant shall protect, indemnify and save harmless the County, its officers, agents and employees from and against any and all claims, costs and/or losses whatsoever occurring or resulting from 1) the Consultant's failure to pay any such compensation, wages, benefits or taxes; and 2) the supplying to the Consultant of work, services, materials and/or supplies by Consultant employees or other suppliers in connection with the performance of this Contract.

- B. The Consultant further agrees that it is financially responsible for and shall repay the County all indicated amounts following an audit exception which occurs due to the negligence, intentional acts or failure for any reason to comply with the terms of this Contract by the Consultant, its officers, employees, agents and/or

representatives. This duty to repay the County shall not be diminished or extinguished by the prior termination of the Contract pursuant to the Duration of Contract, or the Termination section.

- C. The Consultant shall protect, defend, indemnify, and save harmless the County, [and the State of Washington (when any funds for this Contract are provided by the State of Washington)] their officers, employees, and agents from any and all costs, claims, judgments, and/or awards of damages, arising out of or in any way resulting from the negligent acts or omissions of the Consultant, its officers, employees, and/or agents. The Consultant agrees that its obligations under this subparagraph extend to any claim, demand and/or cause of action brought by or on behalf of any of its employees or agents. For this purpose, the Consultant by mutual negotiation, hereby waives, as respects the County only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW. In the event that County incurs attorney fees and/or costs in the defense of claims, for damages within the scope of this section, such fees and costs shall be recoverable from the Consultant. In addition King County shall be entitled to recover from the Consultant fees, and costs incurred to enforce the provisions of this section.

Claims shall include, but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape, or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, or otherwise results in unfair trade practice.

Nothing contained within this provision shall affect and/or alter the application of any other provision contained within this agreement.

PART 3: INSURANCE

The selected Consultant shall furnish Commercial General Liability, to include Products and Completed Operations, in the amount of \$1,000,000 combined single limit; \$2,000,000 aggregate. In addition, evidence of Workers' Compensation and Stop-Gap Employer's Liability for a limit of \$1,000,000 shall be provided.

Such policy/policies shall endorse King County, and its appointed and elected officials, officers, agents and employees as additional insureds.

King County reserves the right to approve deductible/self-insured retention levels and the acceptability of insurers.

PART 4: CORRECTIVE ACTION

If the County determines that a breach of contract has occurred, that is the Consultant has failed to comply with any terms or conditions of this Contract or the Consultant has failed to provide in any manner the work or services agreed to herein, and if the County deems said breach to warrant corrective action, the following sequential procedure will apply:

- A. The County will notify the Consultant in writing of the nature of the breach;
- B. The Consultant shall respond in writing within three (3) working days of its receipt of such notification, which response shall indicate the steps being taken to correct the specified deficiencies. The corrective action plan shall specify the proposed completion date for bringing the Contract into compliance, which date shall not be more than ten (10) days from the date of the Consultant's response; unless the County, at its sole discretion, specifies in writing an extension in the number of days to complete the corrective actions;
- C. The County will notify the Consultant in writing of the County's determination as to the sufficiency of the Consultant's corrective action plan. The determination of sufficiency of the Consultant's corrective plan shall be at the sole discretion of the County;
- D. In the event that the Consultant does not respond within the appropriate time with a corrective action plan, or the Consultant's corrective action plan is determined by the County to be insufficient, the County may commence termination of this Contract in whole or in part pursuant to Section IV.B;
- E. In addition, the County may withhold any payment owed the Consultant or prohibit the Consultant from incurring additional obligations of funds until the County is satisfied that corrective action has been taken or completed; and

- F. Nothing herein shall be deemed to affect or waive any rights the parties may have pursuant to Section IV, Termination Clauses, Subsections A, B, C, and D.

PART 5: ASSIGNMENT/SUBCONTRACTING

- A. The Consultant shall not assign or subcontract any portion of this Contract or transfer or assign any claim arising pursuant to this Contract without the written consent of the County. Said consent must be sought in writing by the Consultant not less than fifteen (15) calendar days prior to the date of any proposed assignment.
- B. "Subcontract" shall mean any agreement between the Consultant and a Subcontractor or between Subcontractors that is based on this Contract, provided that the term "subcontract" does not include the purchase of (i) support services not related to the subject matter of this contract, or (ii) supplies.

SECTION V - ADDITIONAL INFORMATION & REQUIREMENTS

- A. Non-Discrimination in Benefits to employees with Domestic Partners

King County's Equal Benefits (EB) Ordinance 14823 states that to be eligible for award of contracts at a cost of \$25,000.00 or more, firms must not discriminate in the provisions of employee benefits between employees with spouses, and employees with domestic partners. The successful Contractor, bidder or proposer shall be required to complete a Worksheet and Declaration form. Compliance with Ordinance 14823 is a mandatory condition for execution of a contract. The EB Compliance forms, and Ordinance 14823 are available online at: <http://www.metrokc.gov/finance/procurement/forms.asp>

- B. Disclosure – Conflict of Interest

King County Code Chapter 3.04 is incorporated by reference as if fully set forth herein and the Consultant agrees to abide by all the conditions of said Chapter. Failure by the Consultant to comply with any requirements of this Chapter shall be a material breach of contract.

1. The Consultant covenants that no officer, employee, or agent of the County who exercises any functions or responsibilities in connection with the planning and implementation of the scope of services funded herein, or any other person who presently exercises any functions or responsibilities in connection with the planning and implementation of the scope of services funded herein shall have any personal financial interest, direct or indirect, in this Contract. The Consultant shall take appropriate steps to assure compliance with this provision.
2. If the Consultant violates the provisions of Section V (1) or does not disclose other interest required to be disclosed pursuant to King County Code Section 3.04.120, as amended, the County will not be liable for payment of services rendered pursuant to this Contract. Violation of this Section shall constitute a substantial breach of this Contract and grounds for termination pursuant to Section IV (B) above as well as any other right or remedy provided in this Contract or law.
3. The King County Board of Ethics maintains a website that provides information regarding King County ethics requirements. To review specific areas of the Code of Ethics that relate to contractors and vendors, follow this path: <http://www.metrokc.gov/ethics/>, and access 1) The Code of Ethics, "Employee Code of Ethics 3.04", and 2) Advice and Guidance "Doing Business with Contractors, Vendors, Clients and Customers". Under "Employee Code of Ethics 3.04", there are two areas of the code that speak specifically to contractors: 3.04.060 B1 (attempting to secure preferential treatment) and 3.04.120 (disclosure of interests by consultants requirement). There are other sections under conflict of interest, 3.04.030 that are directed to employees and govern their relationships with contractors.

- C. Recycled/Recyclable Products

It is the policy of King County to use recycled materials to the maximum extent practicable (King County Code Chapter 10.16). Consultants able to supply products containing recycled materials that meet performance requirements are encouraged to offer them in bids and proposals and to use them wherever possible in fulfillment of contracts.

The Consultant shall use recycled paper for the production of all printed and photocopied documents related to the fulfillment of this Contract and shall ensure that, whenever possible, the cover page of each document printed on recycled paper bears an imprint identifying it as recycled paper. If the cost of recycled paper is more than fifteen percent higher than the cost of non-recycled paper, the Consultant may notify the Contract Administrator, who may waive the recycled paper requirement. The Consultant shall use both sides of paper sheets for copying and printing and shall use recycled/recyclable products wherever practical in the fulfillment of this Contract.

D. Proprietary Rights

The parties to this Contract hereby mutually agree that if any patentable or copyrightable material or article should result from the work described herein, all rights accruing from such material or article shall be the sole property of the County. The foregoing shall not apply to existing training materials, consulting aids, check lists and other materials and documents of the Consultant which are modified for use in the performance of this Contract.

E. Supported Employment Program

King County encourages the creation of supported employment programs for developmentally and/or severely disabled individuals. The County itself has such a program and is actively seeking to do business with those contractors and consultants that share this employment approach. If your firm has such a program, or intends to develop such a program during the life of this contract, please submit documentation supporting this claim with your bid/proposal/qualifications. All such records shall sufficiently and properly reflect all direct and indirect costs of any nature expended and services provided in the performance of this Contract. The Consultant shall make such documents available to the County for inspection, copying, and auditing upon request.
- B. All records referenced in subsection (A) shall be maintained for a period of six (6) years after completion of work or termination hereof unless permission to destroy them is granted by the Office of the Archivist in accordance with RCW Chapter 40.14, or unless a longer retention period is required by law.
- C. The Consultant shall provide access to its facilities, including those of any sub-consultant, to the County, the state and/or federal agencies or officials at all reasonable times in order to monitor and evaluate the services provided under this Contract. The County will give advance notice to the Consultant in the case of fiscal audits to be conducted by the County.
- D. The Consultant agrees to cooperate with the County or its designee in the evaluation of services provided under this Contract and to make available all information reasonably required by any such evaluation process. The results and records of said evaluation shall be maintained and disclosed in accordance with RCW Chapter 42.17.
- E. If the Consultant received a total of \$500,000.00 or more in federal financial assistance during its fiscal year from the County, and is a non-profit organization or institution of higher learning or a hospital affiliated with an institution of higher learning, and is, under this Contract, carrying out or administering a program or portion of a program, it shall have an independent audit conducted of its financial statement and condition, which shall comply with the requirements of GAAS (generally accepted auditing standards), GAO's Standards for Audits of Governmental Organizations, Programs, Activities, and Functions and OMB Circulars A-133 and A-128, as amended and as applicable.
